Food made with joy is a joy to eat. Udi's "artisan-made" granola is prepared by hand -- lovingly mixed, toasted, and then packaged by real people who really love what they do and care about the difference between good and great. Sold in 16oz bags, there are five Udi's Granola flavors:

Original: Our wildly popular original recipe (the one that started it all) made with wildflower honey, oats, nuts, and fruits.

Cranberry: Tart, sweet, dried cranberries paired with walnuts give this granola a zesty tang.

Hawaiian: Maui Wowee! With ginger-toasted macadamias, pineapple, and coconut, you can feel the warm sunshine in each bite.

Au Naturel: Dress up our signature honey-toasted oats with your own favorite additions.

Vanilla: The warm buttery flavor of vanilla blended perfectly with toasted almonds.

If you are having trouble picking just one flavor, try **The Udi's Granola Sampler** and you'll receive 2-Original, 1-Cranberry, 1-Hawaiian, 1-Au Naturel, and 1-Vanilla. And remember, **Slow down. Eat up. Be Udiful.**
